

## **9<sup>th</sup> Grade PTP Requirement**

### **My Accomplishments**

Sometimes life proceeds at such a rapid pace that students may not realize all that they are accomplishing. The milestones students established in the last activity show how they have gradually developed the ability to do things on their own. When they were little, their future depended on the adults who cared for them. At this point in their lives, they control their own futures.

#### **For Discussion:**

Who was most responsible for what you have accomplished this school year?

Who was most responsible for what you have learned this year?

Who will be most responsible for what you accomplish and learn in the future?

Why is it important that you know who is responsible for these accomplishments?

## My Accomplishments
