

In behalf of C'eedsof Peace, we would like to invite you to participate in the 2<sup>nd</sup> Annual West Hawai'i Walk for Peace, on **Saturday, April 29<sup>th</sup>** at **Kealakehe High School**. This is a day to bring together community members with the shared vision of a thriving and peaceful community that includes acceptance, compassion, commitment, care for others, and a kuleana to build peace within ourselves and the keiki in our lives. (Check out C'eedsof Peace website: [www.ceedsofpeace.com](http://www.ceedsofpeace.com))

This year, through C'EEDs of Peace, a collaborative effort with West Hawai'i Community Health Center (WHCHC), the Department of Education West Hawai'i Complex, Hawai'i Affordable Properties Inc., Teach For America-Hawai'i, and West Hawai'i Community and families, hope to bring together service organizations from West Hawaii as part of the walk. We need community organizations to join us by providing an interactive and informational resource table for students and parents. If you are interested in doing something interactive with your booth, some initial ideas of what this could look like are:

- An activity for students to engage in like learning about nutrition through a food sorting activity, games, etc.
- A sample demo of some of the services that you provide (like sample blood pressure tests if you are a health organization)
- Sign up on the spot for services you may provide
- Taking pictures, creating something, or making something (ie: teacher education booth, asking adults and kids to write the name of their favorite teacher and why and post it somewhere)

The options are very flexible and we can work together to help make your booth come together. We are also more than willing to meet/talk if you'd like to think of some activities we could help your booth provide! Please feel free to contact me with any questions that you may have or to share your thoughts on how you would like to contribute. Please also pass this information along to others who work to strengthen our community!

All funds raised as a result of this event will go to West Hawai'i Mediation Center, which works to empower individuals, organizations and communities to deal with conflict by providing mediation, facilitation and education services.

Thank you very much, and I look forward to hearing from you soon and seeing you there!

Sincerely,

Lia Rozmiarek
