February 8, 2021

Hello Students, Parents, and Guardians. We continue to hope all is well and that everyone had a safe and distanced Super Bowl weekend!

I am happy to report that our island community has done much to unite and reduce the spread of COVID-19. That means according to the DOH/CDC guidelines and our school reopening policies, we will begin opening face-to-face to more of our blended learning students beginning with our Seniors. Full online Acellus Seniors or those that have already completed their requirements do not return to campus unless by specific invitation.

Blended Learning Seniors will return on an A/B schedule. Starting on Monday, February 22 seniors with the last names A-Ka will come to campus on Mondays and Tuesdays. Seniors with last names beginning with Ke-Z will return on Thursday, February 25 and come to campus on Thursdays and Fridays. Please remember that if COVID infections take a turn for the worse we must be prepared to immediately return to full virtual instruction.

Monday, Feb 22 Seniors Group A Last Names A – Ka 8:15 – 2:30	Tuesday, Feb 23 Seniors Group A Last Names A– Ka 8:15 – 2:30	Wednesday, Feb 24 Vulnerable Learners by invitation only 8:15-1:25	Thursday, Feb 25 Seniors Group B Last Names Ke – Z 8:15 – 2:30	Friday, Feb 26 Seniors Group B Last Names Ke - Z 8:15 - 2:30
Monday, Mar 1 Seniors Group A Last names A – Ka 8:15 – 2:30	Tuesday, Mar 2 Seniors Group A Last names A –Ka 8:15 – 2:30	Wednesday, Mar 3 Vulnerable Learners by Invitation Only 8:15 – 1:25	Thursday, Mar 4 Seniors Group B Last Names Ke – Z 8:15 – 2:30	Friday, Mar 5 Seniors Group B Last Names Ke – Z 8:15 – 2:30

As a note, for those that signed up for bus transportation at the beginning of the year, your name and transportation will be confirmed with the complex student transportation office. If you haven't yet signed up for bus transportation and would like to apply, please contact Aunty Ruth Andrade in the VP office for assistance.

If things continue to go well, our intent is to add blended learning Ninth graders either March 1 or 8.

In order for this to work and be as safe as possible, it is imperative that everyone please follow all school policies and guidelines. For everyone coming to campus, these are some general health and safety guidelines that must be followed. A more detailed letter with specific guidelines for each area of the campus including classrooms will follow. Students that do not follow these set guidelines will not be allowed to return or will not be allowed to continue coming to campus. Please do not forget that **PRE-SCREENING BEGINS AT HOME.**

- WE ARE A MASK WEARING SCHOOL, MASKS ARE REQUIRED. PLEASE BRING YOUR OWN MASK EVERYDAY.
- Wash your hands often
- Sneeze or cough into a tissue and throw it away then sanitize your hands. If no tissue is available, reduce the spread of germs by coughing or sneezing into your elbow or shirt.
- Bring your own school supplies, do not share.

To request interpreter or translation services for this or any document, please call the student services coordinator or an administrator at 313-6000.

- Bring your own small bottle of hand sanitizer.
- Bring your Chromebook/laptop each day.
- Bring your own water bottle.
- We highly recommend bringing your own pair of earbuds or headphones.
- If you are bringing meals or snacks to school, please bring them only for yourself. Healthy, pre-packaged, sealed snacks are recommended.

PRE-SCREENING:

Families are the first line of defense against COVID-19 and play an important role in helping maintain a safe campus. Parents are asked to help assure a safe campus by conducting a wellness check on their child(ren) every day prior to sending them to school. If a child has any of the following symptoms, please keep them home and follow the return to school guidelines:

- Fever (higher than 100 F or hot to the touch)
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Headache
- Muscle or body aches
- New loss of taste or smell
- Sore Throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

To help control transmission and potential future outbreaks we must all do our part to adhere to State DOH recommendations and guidelines. In addition, there may be times when we ask families to comply with broader safety measures. We thank you in advance for your understanding and cooperation. The wellness check for symptoms should include but not be limited to those things listed above.

Don't forget that you are welcome to contact us with any questions or concerns. Again, if anyone is sick or not feeling well, please stay home.

I want to thank everyone again for your efforts and cooperation in making this happen!

Most Sincerely,

-Shawn S. Suzuki, Principal
