Konawaena High Parents and Guardians.

Hope all is well and that everyone is keeping as safe as possible!

The Department of Education has closed schools to students through April 6. Students are currently scheduled to return on Tuesday, April 7.

In the interim, schools are being thoroughly cleaned and sanitized for everyone's return.

School work will still be provided via google classroom and other electronic means. Please have your student(s) check often for changes, updates, assignments, due dates etc. We understand that not everyone may have a computer or online access. In those cases, we encourage students to reach out to classmates through text phone as reasonable (respecting social distancing recommendations) to stay abreast of work and school updates.

During this period school offices are essentially closed. All school activities including athletics are cancelled for the duration of this extended closing.

Things may change daily and we will do our best to provide updates ASAP. We also encourage everyone to check the DOE and school websites for updates. Mahalo for your patience, understanding, and for helping keep one another safe.
