Expectations for ALL:

- All students should remain in their designated classrooms. Any student roaming campus will be sent home.
- For safety reasons, students remaining on campus after 12:10 pm will not be allowed to "roam" campus freely. They must report to the library if they are waiting for transportation pickup or for after school athletic practice.
- The school bus will leave after lunch daily. If a student is staying for interventions, they must find their own way home. Virtual Google Classrooms will be available for all students during the **Intervention Block** period. All students have an assigned computer issued by the school that can be used during this time.
- No student should remain in the counseling office unless they are in a crisis.
- **Friday schedule:** Students report to campus only if needed to make-up a final or receive an invitation by their teacher to receive additional intervention support. There will be a regular bus schedule for Friday, no early release.
- *There will be no WIKI Monday - Friday.* Students **MUST** eat during breakfast or lunch hour only.
