## Welcome to the New School Year!

Aloha Wildcats,

As we begin this exciting new school year at Konawaena High School, I want to remind you of the importance of staying organized and seeking help whenever you need it.

### Stay Organized:

- Use your school planner daily to keep track of assignments, tests, and important dates.
- Break your tasks into manageable steps and set deadlines for yourself.

### Ask for Help:

- Don't hesitate to reach out to your teachers, counselors, or classmates if you're struggling with something.
- Remember, asking for help is a sign of strength, not weakness.
- We're all here to support each other and ensure everyone succeeds.

By staying organized and seeking help when needed, you set yourself up for a successful and stress-free school year. Let's make this year amazing together!

Mahalo and best wishes,

*Mrs. Ami Akeo, Principal*

When it was first built in 1921, Konawaena was, indeed, in the center of the district, serving children of the ranchers at Pu‘uanahulu, the farmers of Holualoa and Captain Cook, and the fishermen of Miloli‘i.

## Athletics

### **General Statement:**

The Konawaena High School athletic program is an integral part of our total education program. The program provides an opportunity for students to develop physically, mentally and socially. A student's behavior in school, in the community and on trips is a reflection of his/her character and the sports in which they participate. People look upon the student-athlete as a role model. If the student-athlete gets into trouble, he/she discredits the effort of the individual, family, his/her team, the Konawaena Athletic Program and Konawaena High School. Being a representative of Konawaena High School is a great responsibility.

## **Attendance**

### **Hawaii State Compulsory School Attendance Law:**

Public schools' attendance policy is governed by state law and Board Policy 4140: Compulsory School Attendance Policy. It states: "The Department of Education shall make every effort to ensure student school attendance in accordance with the compulsory attendance law." The State of Hawaii's compulsory attendance law (Hawaii Revised Statutes 302A-1132).

Students who have chronic absenteeism may be referred to Family Court. Pursuant to [H.R.S. 571-11\(2\)](#), Family Court can place a child under jurisdiction for truancy if the child is not attending school or is not receiving the educational services required by law.

In order for students at Konawaena High School to receive the maximum benefits of the varied experiences available, they must be present in the classroom on a regular and consistent basis. Konawaena students are expected to be Self-Directed Learners and possess the attitudes, knowledge, and skills necessary to contribute positively and compete in a global society. It is the responsibility of the student and his/her parents/guardians for regular attendance with feedback and assistance from the school.

**Areas of Responsibility:** Attending school is the primary responsibility of the student and parents/guardians.

### **STUDENT RESPONSIBILITIES**

- Be responsible for choices made regarding school attendance
- If coming to school late with a note, check in at the VP office and end your SmartPass upon arrival to class.
- Prior to an absence or immediately upon return (within 3 days), bring a written notice of excused absence to the front office. Notes submitted after this time will not be accepted, and the absence will remain unexcused.
- See the teacher on the day of return to class for work missed, seek assistance if needed, and turn in make-up work in a timely manner.
- Get teacher approvals for all school-sponsored activities in a timely manner.

### **PARENT / GUARDIAN RESPONSIBILITIES**

- Review the Konawaena High School Attendance Guidelines with your child
- Update phone numbers and addresses for school records, including home, work, and emergency numbers.
- Provide written notification to the school for excused absences prior to the absences or immediately upon return (within 3 days). Notes submitted after this time will not be accepted, and the absence will remain unexcused.
- Periodically check the Infinite Campus portal for updates on your child's attendance and call the Student Services Coordinator with any concerns.
- Work with the school to support your child's regular attendance.

### **Written Notification of absences or tardies should include:**

- Date note was written
- Child's legal first and last name as listed on school records
- Date of tardy(s) and/or absence(s).
- Reason for tardy or absence
- Parent or guardian signature and phone number

### **Excused Absences and Tardies:**

The school will only excuse absences when written documentation (note) is submitted within three (3) days upon the students return to school, and absences are for one of the following reasons:

- Illness, injury, quarantine (chicken pox, measles, etc.), verifiable by a doctor's note.
- Doctor/Dental appointment verifiable by a doctor's note.

- Death in the family verifiable with a copy of the obituary or program.
- Court attendance
- Special cases approved by the Principal.
- School authorized activities which may include, but are not limited to:
  - On campus activities such as: appointments with a counselor or administrator, treatment in the Health Room, assigned detention or in school suspension.
  - Off campus activities such as: employment, including work study programs; volunteer community service; student council related activities, including state/district student councils, State Student Conference, and student legislative lobbying activities, field trips and early admissions programs
- Other activities approved by the Principal or designee.

Note: All other reasons must be reviewed by an administrator before absence is excused.

Absence notes should include the following information:

- Date note was written
- Child's first and last legal name as listed in school records
- Grade
- Dates of absence
- Reason for absence
- Phone numbers where parent/legal guardian may be reached
- Parent/legal guardian's signature

#### **Unexcused Absences and Tardies:**

Teachers will not be required to give make-up work for more than five (5) unexcused absences per quarter. No make-up work will be given for class cuts. Unexcused absences can include, but are not limited to:

- Babysitting
- Personal business
- Family vacations/trips
- Caring for the elderly
- Parent/legal guardian request without explanation
- Entertaining visitors

#### **Bathroom Usage:**

Konawaena High School has new restroom rules to keep things safe and comfortable for everyone. During class, a maximum of **three students** are allowed in a restroom. That number goes up to **five students** during non-class times like Wiki and Lunch. Restrooms are strictly for washing or using the toilet; **no hanging out, waiting for friends, or using them for any other reason** is allowed. Only **one student per stall** is permitted. These rules are in place to prevent overcrowding and disruptive behavior. The school will continue to use the **SmartPass system** to monitor restroom usage, and breaking these rules could lead to disciplinary action.

#### **Bus Transportation**

Transportation to and from school is available to all Konawaena High students who live outside a 1.5-mile radius from the school. Request for exemption from the minimum qualifying distance rule for reasons of health and safety is available at the Vice Principal's office. Bus information (route numbers, pick up and drop off points, bus passes, eligibility, etc.) are available at the Vice Principal's office. Students who receive geographical exceptions are responsible for their own transportation but may ride the bus on a limited or space available basis (Form CS101 must be completed and approved before riding). As a courtesy, if you will not be using the bus regularly, please do not acquire a pass as this takes away from other students who do require regular transportation to school

Students must present a bus pass to the driver each day for entry; therefore, the West Hawaii Student Transportation Services Branch will issue a permanent bus pass to each student. When a bus pass is lost or misplaced, students must notify the VP clerk to receive a temporary bus pass. A \$5.00 charge will be assessed for each replacement card.

To ensure the safety of all students who utilize bus services, the driver of the bus has direct authority over the bus and all its passengers. Students are expected to behave and obey the requests of the driver. Failure to do so may result in the student losing their bus privileges.

Chapter 19 rules apply at all times on buses and at bus pick-up and drop-off.

Bus passes are issued quarterly and on a first-come, first-serve basis. Please see the DOE Bus Transportation webpage (<https://hi.etrition.com/application>) or deadlines for quarterly applications. While paper applications are accepted, it is recommended that families use the online application.

### **Cafeteria**

The cafeteria is located mauka of the main office. It provides nutritious meals for the school and meets the nutrition standards specified by USDA. It tries to provide meals in the most economical and efficient manner. Breakfast is \$1.10 and mid-morning (wiki) served at recess or lunch is \$2.75. When a student purchases both, a wiki and lunch, the additional meal is \$5.50. Also, a student may purchase only the entrée at the cost of \$2.00 with no limit after the purchase of the first meal.

It is the families' responsibility to ensure that adequate funds remain in the student's meal account.

Negative account balances may result in the denial of meals.

Please see the following URL <https://www.ezschoollpay.com/Login.aspx> to create and maintain school meal funds.

### **ALL FOOD PURCHASED OR RECEIVED IN THE CAFETERIA MUST BE CONSUMED IN THE CAFETERIA.**

An exception may be approved on a limited basis if the teacher submits a request to the Vice Principal indicating the purpose, time, and date of the lunch meeting, etc. Arrangements must be made in advance.

### **Change Of Contact Information**

Parents are responsible for keeping addresses and/or telephone numbers updated in order to receive calls, report cards and/or any school information regarding their student. All changes should be reported to the registrar's office. Any changes to your address requires proper documentation.

Only parents, guardians, and authorized persons will be provided identifying information.

### **College And Career Center**

The College and Career Center is located in F-118 in the main building. Staff is in charge of arranging college visits, organizing student attendance at the Career College Fair, announcing, copying and disseminating scholarship forms and assisting with college applications and financial aid forms.

The Center has college guides, brochures and handbooks, Occupational Handbooks, testing guides and military information.

### **Counselor's Office**

A comprehensive counseling program for students is provided in grades nine through twelve. Students are expected to dress in a manner appropriate to the school environment and prepare them for the workforce. Clothing may not detract from or interfere with the learning process or atmosphere. It is implemented to prepare students for adult life following high school. The

intent of the dress standard is to promote an environment that reflects the standards in the work place. It is a standard that most employers would expect from their employees.

**Dress Code:**

- Footwear must be worn at all times.
- Any clothing, jewelry or accessory, which represents drugs, tobacco, alcohol, sex, violence, gangs, profanity, obscene words, lettering, symbols or pictures, shall not be worn. These apply to all forms of body wear.
- Transparent or translucent body wear is not allowed to cover apparel in violation of dress standard.

In cases where student dress is grossly unacceptable, a student will be asked to change into dress code appropriate clothing provided by the school. Repeated violations of the dress standards will result in additional consequences that are progressive in nature. Every effort will be made to explain, to the student and parent/guardian, why particular clothing is considered inappropriate for the school setting and how this relates to our students' success in gaining/keeping employment in the workplace.
