***Expectations for ALL:***

- ***All students should remain in their designated classrooms. Any student roaming campus will be sent home.***
- ***For safety reasons, students remaining on campus after 12:10 pm will not be allowed to "roam" campus freely. They must report to the library if they are waiting for transportation pickup or after-school athletic practice.***
- ***The school bus will leave after lunch daily. If a student is staying for interventions, they must find their own way home. Virtual Google Classrooms will be available for all students during the Intervention Block period. All students have an assigned computer issued by the school that can be used during this time.***
- ***No student should remain in the counseling office unless in a crisis.***
- ***There will be no WIKI Monday through Thursday. Students MUST eat during breakfast or lunch hour only.***
