Hello Wildcat Parents, Students and Community!

I hope all continues to be well. Thank you everyone for your continued understanding and support as we near the end of the school year. It is wonderful to have our blended students on campus and to be able to begin supporting some school activities beyond the classroom. Athletic practices have been happening (thank you to our coaches, athletic staff, and parents for your patience) and the planning of an in-person (albeit modified) commencement ceremony as examples.

The reason for this letter is to again encourage families to take advantage of our state's vaccination opportunity for anyone 16 and older. With summer approaching, some families have welcomed the opportunity given possible personal student travel to camps, college visits, etc. as vaccination and quarantine requirements are officially updated to accommodate for such travel. That said, we understand vaccination is a choice and wanted to be able to provide the DOH vaccination registration information.

Per the Department of Health teens 16 and 17 years old are reminded to seek appointments for the Pfizer vaccine, the Moderna vaccine is reserved for people 18 and older. The DOH goes on to state that there may not be doses to vaccinate everyone immediately however scheduling a shot now is highly encouraged. Here is the website:

Please contact us with any questions or needs and please continue to be safe!

Sincerely,
